About Us

We are a volunteer organization dedicated to cooperating with kennels and adoption groups to place retired greyhounds in responsible, loving homes.

Adopt A Greyhound

The adoption of a greyhound is a process. We work hard to make certain that the adoptive home is the right and permanent home for a lonely greyhound

Donate

Make a tax deductible donation! FORG operates on the good will of volunteers and donations. You can help FORG save Greyhounds in a number of simple ways

Volunteer with Friends of Retired Greyhounds

We are always in need of volunteers and welcome them in many capacities. Whatever your talents and interests, we can use you! Volunteers help us foster greyhounds, transport foster greyhounds to and from the vet, help plan events, staff events by chatting to the public about greyhounds and greyhound adoption at FORG. Volunteers help us build kennels, foster grey's, organize dinners, make phone calls and organize paperwork.

To volunteer with FORG you can fill out the online [volunteer form](#) or send us an email expressing your interest. We will review your request and contact you.

The Cell Dog Program

PRISON GREY'S ADOPTION PROGRAM:

CCCF and Friends of Retired Greyhounds have partnered to allow inmates to foster greyhounds that have been taken from the tracks and given a second chance. This allows the dogs an opportunity to transition into a home setting and offers inmates the ability to develop some parenting skills.

Formed in conjunction with the Crowley County Correctional Facility in Colorado, the Cell Dogs program for greyhounds offers retired racing dogs and prison inmates enormous opportunity for personal growth and positive experience, while giving back to the community. A greyhound is a gentle, kind and peaceful presence in a jail cell. The greys who spend time in the program graduate with some great basic obedience and socialization skills, making them

Greyhounds need love too.

Greyhounds need love too.

Thornton, Colo – April is National Adopt-a-Greyhound month and there is no shortage of homeless greyhounds.

Each year thousands of retired racing greyhounds go homeless after their racing careers end. Friends of Retired Greyhounds, a Colorado 501(c)3 all volunteer nonprofit organization, takes in many of these retired racers until permanent homes can be found.

“We have placed hundreds of these amazing dogs in permanent homes over the
